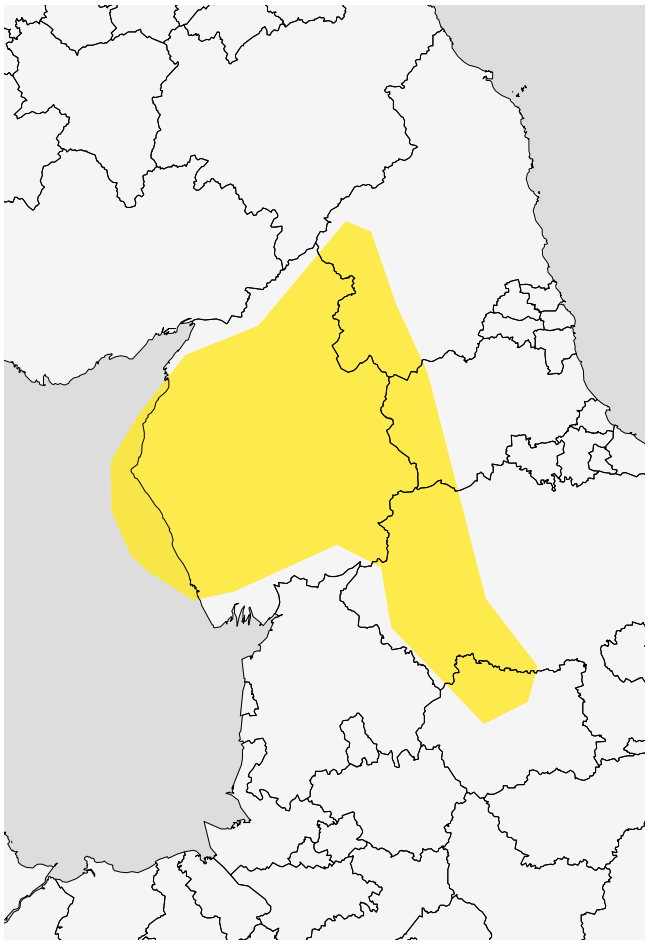
Yellow warning
Rain

Between
10:46 Tue 10 Dec 2019 and
20:00 Tue 10 Dec 2019



Heavy rain may lead to some travel disruption.

What to expect

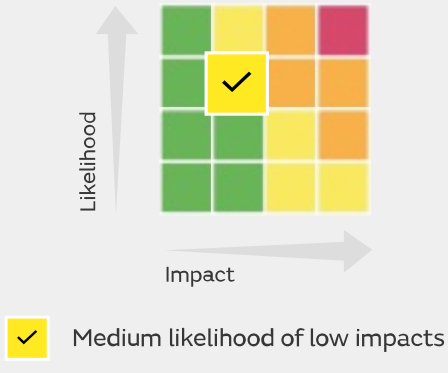
- Spray and flooding probably making journey times longer - by car, bus and perhaps also by train
- Some interruption to power supplies and other services is possible
- Flooding may affect a few homes and businesses

Further details

Rain, some heavy, will continue through much of Tuesday, particularly persistent across high ground.

Many places are likely to see 20-30 mm of rain, while some parts of the Lake District and north Pennines could see 50-100 mm which may lead to some travel disruption and flooding.

Gales will accompany the rain, for which a separate warning is in force for much of the day.



Medium likelihood of low impacts
